18-HR ONLINE BEGINNINGS TRAINING

Certificate issued by The Incredible Years , Inc. USA

Course Code: CA-23B-01

Course Goal

- Promote teacher and child care provider competencies.
- Strengthen proactive teaching skills.
- Strengthen teacher and child care provider behavior management skills.
- Promote use of behavioral assessment and individually tailored behavior plans.
- Promote consistency of behavior plans from school to home by teachers/child care providers involving parents in planning.
- Strengthen use of strategies which promote children's social competence and self-regulation skills (e.g. problem solving, anger management, emotion literacy).
- Promote use of research-based discipline strategies for reducing aggression and disruptive behavior in the classroom/child care setting.
- Help teachers and child care providers learn to use social and emotion coaching with their children and adapt their approach according to children's developmental readiness.
- Increase teacher and child care provider support networks with each other and with parents.

Course Content

- Strategies for managing children's behavior problems, as well as language and developmental delays.
- Group leadership skills such as goal setting, mediation of video vignettes, how to set up role play practices, development of behavior plans, and benefits/barriers exercises.
- Building positive relationships & managing separation anxiety, using social & emotional coaching, promoting language development, and proactive teaching with predictable routines & consistent positive behavior management strategies.

Class Arrangement

- Highly interactive and collaborative
- Active participation, and be free from other distractions
- Participate over a computer with camera & microphone and turn on your face in frame
- Add your name to your Zoom
