2-DAY WORKSHOP ON

THERAPEUTIC LISTENING®: LISTENING WITH THE WHOLE BODY

Course Code: CA-24B-01

Sheila M. Frick, OTR/L, is an internationally esteemed clinician, lecturer, and pioneer in Occupational Therapy. She has over 20 years clinical experience, having worked in psychiatry, rehabilitation and home health before specializing in pediatrics. She is well known in the field of Sensory Integration, lecturing on such topics as clinical neurology, respiration, the auditory/ vestibular system and auditory interventions. Sheila's expertise is reflected in her publications as well as her proficiency in training professionals throughout the United States and abroad.

Tracy Bjorling, OTD, OTR/L, is a pediatric occupational therapist and a graduate of the University of Wisconsin-Madison. She is a member of the Vital Links teaching and clinical team and has had being mentored by and working in partnership with Sheila Frick, OTR/L in her clinic over the past ten years. Working in conjunction with Sheila, Tracy has had multiple opportunities to explore the use of Therapeutic Listening® with a wide variety of clients and diagnoses.

Remarks:

Each participant will receive a complimentary copy of **“Listening with the Whole Body: Clinical Concepts and Treatment Guidelines for Therapeutic Listening”** (worth US\$59.00@ + US\$24.00 shipping fee)
